# INTRODUCTION

## Golf Outing Information

At Pumpkin Ridge Golf Club, golf events are our specialty. We have a long history of welcoming groups and events to our club. Golf packages are available for groups of all sizes. Whether you are planning a small golf outing of 16 players or a full field shotgun, allow our experienced hospitality experts to assist you with every detail. Our staff works together for a top-quality golf experience every time.

**Format considerations** are important when blocking space or collecting pricing information. From tee time events to modified shotgun to full fields our club can accommodate most any request.

**Equipment rental** is available for men and women provided that tournament requests are received by the course within one week of the tournament date.

**Group lessons and clinics** are available for a fee or included in one of the selected golf outing packages. Warm-up range balls, scoring, putting, and chipping contests are included in the price per guest. Custom tee prizes, merchandise and certificates are available to complement any golf outing.

A Confirmation Agreement will be sent confirming all details, including number of players, format, start time, date, and any other details agreed upon to hold space. Once the signed Confirmation Agreement is returned with the full deposit, the event is considered definite.

The non-refundable deposit, which is applied to your total, is required to reserve your date. The amount of the deposit is equal to 25% of the total estimated event total. 100% of the final estimated balance is due 10 days prior to the event date. All outstanding balances must be settled on the golf outing date. Payment for final charges are due when presented to you and will be based on the greater of the guaranteed guest count or actual number of participants, and may also include service charges, breakage, other services or merchandise purchased on the golf outing date, and cash bar.

Adjustments to the group's size and requirements may be made without penalty or surcharge pending final guarantees are received by the course within thirty (30) days prior to the event date. A reduction of more than 50% of the group's requirements within thirty (30) days is deemed a cancellation and thus subject to a cancellation fee; normally the amount of non-refundable deposit plus the number of unsold tee times at the group rate as the result of the canceled tee times.

To complete your tournament experience, our Sunset Room or one of the spacious decks perfectly complement a fabulous day of golf. A room rental fee of \$500 will be charged for use of any of the banquet spaces and includes many amenities to complete your event.

# CLUB PROFILE

Besides being a beautiful diversion from your hectic day, Ghost Creek Golf Course at Pumpkin Ridge is a departure from the mundane. Its superb Bob Cupp design provides a Great Northwest golf experience that rivals the most elite clubs and courses. But don't take our word for it. Golf Digest chose Ghost Creek as the Best New Public Course of 1992, while Golf Magazine ranked it 5th out of the "Top 100 You Can Play" in 1996. And if that doesn't impress you, maybe some of the championships held at Pumpkin Ridge Golf Club will; such as the 1993 and 1994 Nike Tour Championships or the 1996 U.S. Amateur won by one of our favorite guests, Tiger Woods.

# FACILITIES & SERVICES

## GENERAL INFORMATION

Tournaments are considered to consist of 16 players or more and starting times are always necessary. Tee times for tournaments may be made well in advance to guarantee availability. Tournaments are responsible for any unused blocked out tee times not cancelled within 10 days prior to the scheduled time.

## EQUIPMENT RENTAL

Pumpkin Ridge Rental Sets are comprised of the latest in technology from Taylormade and are \$65 per set. Golf club rentals are available for men and women provided tournament requests are received by the course within 10 days of the tournament date. (Special Note: Weekends and holidays are the heaviest demand for rental clubs in resort areas, please plan on your rental needs prior to your event date for best availability and service.)

## GOLF CARTS

Pumpkin Ridge allows carts off the path on a seasonal basis or if weather permits. If power carts are included in your tournament package, Pumpkin Ridge will provide two carts per team.

Additional carts can be rented for \$65 each. (Special Note: Pumpkin Ridge requires the driver of a power cart to be at least 16 years old and have a valid driver's license.)

## PRACTICE FACILITIES

Pumpkin Ridge offers an on-site practice facility (driving range, putting greens, chipping green and practice bunkers) which are included in the tournament package for tournament use 2 hours prior to the start of the event.

## FOOD & BEVERAGE

All tournaments require some planned food and beverage. This requirement has been an important part of a successful event for most groups. Please consider your group needs in advance and discuss any questions or requirements well in advance of the event date. Pumpkin Ridge offers a variety of enticing cuisine for all budgets and occasions.

A room rental of \$500 will be charged for use of any of the banquet spaces and includes many amenities to complete your event.

All food and beverage consumed on site must be purchased from the club unless otherwise authorized by management. We do not permit the service of alcoholic beverages to anyone who is under the age of 21, or who we determine is intoxicated. Only our employees may prepare and serve food and beverages, including alcohol, as they have obtained proper State Liquor Department licensing.

Pumpkin Ridge will provide one beverage cart for up to 80 players and two for 80 or more. If your group has fewer than 80 players, an additional beverage cart can be provided for \$100, unless sales on cart exceed \$800.

# TOURNAMENT OPTIONS

## SINGLE TEE

This option is ideal for small groups (16-40 players). Each foursome will tee off at the first (1st) tee in sequential order. After the first foursome (Group #1) tees off and has completed the second shot, the second foursome (Group #2) tees off next and the third foursome (Group #3) is considered "on deck". The tee times continue until all groups are in play.

## MODIFIED SHOTGUN

Best option for groups with 72 to 120 players. The entire tournament will start at the same time. Two (2) foursomes (Groups #1 & #2) will start on each assigned hole. EXAMPLE: a tournament of 80 players would make 20 teams of 4 players. Two teams would start on each hole #1 through #10. The course may attempt to fill the remaining holes #11 through #18 with another group and/or additional players. To allow the required tees for a modified shotgun, the course normally must "shut down" for an extended period to allow for the "starting" holes.

## FULL-FIELD SHOTGUN

This option is designed for groups with 120-144 players and requires that the full course be used. Two groups start on each hole. All players will start and finish at approximately the same time.

- **Closest to the Pin (KP)** - A prize is awarded for the shot that comes to rest closest to the pin; normally played on the par 3s.
- **Closest to the Pin on 2nd Shot** - A prize is awarded for the shot that comes to rest closest to the pin; can be played on any hole on the golf course except the par 3s.
- **Longest Drive (LD)** - A prize is awarded for the longest drive off the tee box that lands in the fairway; this is normally played on the course's longest length par 5.

- **Longest Putt** - A prize is awarded to the person who makes the longest putt on a specific green. Recommended contest on the course's putting green at the clubhouse prior to the start of the tournament to promote a fun and competitive atmosphere while providing a reasonably rapid pace of play.
- **Shortest Drive** - A prize is awarded for the shortest drive off the tee box, which lands in the fairway; normally played on the same par 5 of the longest drive contest or on a hole with a natural hazard between the tee box and the fairway (e.g., a lake, marsh, ravine or cliff).
- **Straightest Drive** - A white line is placed down the middle of the fairway. The drive off the tee box that comes to rest closest to the line is the winner; normally played on the course's last par 5 but not necessarily the same par 5 used for the longest and shortest drive contests.
- **Tiger Drive** - In 1996, Tiger Woods made history by winning his third consecutive U.S. Amateur Championship in a row. During that history making play Tiger Woods on hole #15 at Ghost Creek hit a perfect drive down the right-hand side of the fairway totaling 366 yards. During tournament play the host charity, host company, etc. may charge golfers a small fee (usually \$20) to hit from where Tiger Woods hit that perfect drive instead of teeing off from the tee box like normal. The golfers would only be charged one stroke, recreating the mystifying tee shot. Hole #15 at Ghost Creek is the second longest and second toughest hole on the entire golf course.
